Amico Caro

Firenze 18 June 1881

I have been here 6 days & leave to-morrow for Milan taking Pistoja (your Pistoja I call it, as no one else seems to know much of it) in my way. (How much I have to thank you for this little Italian tour, wh. I don't believe I shd. have undertaken but for you. ... Miss Oxford had left Flor. a fortnight before I came, she is at Brighton.

Shall I see you in Paris? I hope so sincerely. I arrive on morning of 22 June, Mama in the afternoon. We shall be at the Hotel des 3 Princes, rue Neuve des Petits Champs, 90 (?) near Place Vendôme., and stay 5 or 6 days. - Mother & I will come to see you, if you will let me find a line to say what evening or morning you wd. be at home. - I've much to say, if I may,  
yours ever L.P.S.
